

School Placements 2018-2019

As the final results from this year's Common Entrance and late school applications are through, I am pleased to share the final list of independent schools that students we prepared for exams went on to get offers from:

Alleyns, Sevenoaks, Caterham, Epsom, The Old Palace, Croydon High, Woldingham, St Edwards Oxford, Brighton College, Ibstock Place, Harrodian, The Kings School Gloucester, Rugby, Downe House, Fettes, Kings Macclesfield, Stockport Grammar School, Ardingly, Millfield, Tonbridge, Eton, Malvern, Stowe, Benenden, Winchester College, Harrow, Uppingham, Oundle, Francis Holland (Regents Park), Northwood and Radley.

I, and the tutors who worked with them, wish all our students all the best as they embark on the next stage of their education whether it be at a new Prep School, or Senior School at 11+, 13+ or 16+.

In addition, we await this year's A level and IB results and hope our University bound students achieve what they need for the Universities and courses of their choice.
